

SPRING AND EASTER

Hi

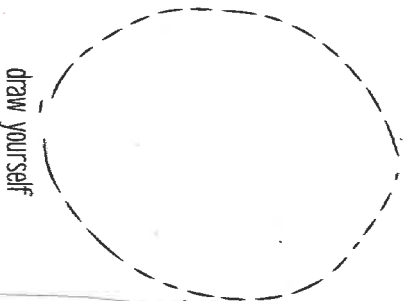

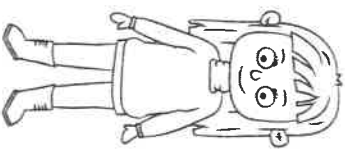

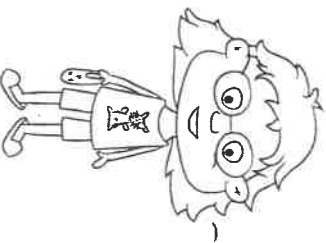

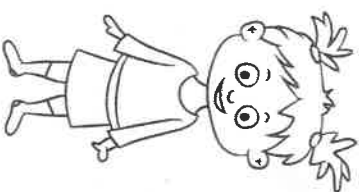

My name is CARLA. Before Easter Monday I help my mum with Easter preparations. I help my mum bake an Easter lamb. It is a lot of fun. We decorate it with a red ribbon. Then we decorate eggs. My mum decorates eggs with wax. It is the material from which candles are made. They are beautiful. I colour eggs with paint and put some stickers on them. We put decorated eggs into a basket on the table. Also, we have some Easter decorations on the table. There are small plastic chickens and flowers. On Easter Monday I have Easter lamb with butter, jam and tea for breakfast. After breakfast, I and my mum are waiting for guests. When they come they whip us and we give them eggs or chocolate.
