**1. READ**

Hi! My name is Janet. I'm ten years old and I live in London with my parents. December is my favourite month because it's Christmas time. I love it. We decorate our house and the Christmas tree. I like to put baubles and lights on the tree. My mother puts many candles on the tree. My father hangs a wreath on the door. Our house becomes very beautiful. My brother Henry makes Christmas cards and we put them on the fireplace. My grandparents come to our home. We have a big dinner all together on Christmas day. We have a roast turkey, roast potatoes, salad and a Christmas pudding for dessert. We sing " We wish you a Merry Christmas" and then we open the presents. We have a great time together.
